THE OFFICIAL PUBLICATION OF THE BILLERICAY TOWN COUNCIL

April 2010

Greening Billericay – Success at the Public Meeting

Tuesday, 23rd March saw the first major stage in our community Greening Billericay campaign. Over 100 people from 40 organisations took part in setting our campaign on the road at the Emmanuel Church in Laindon Road. After a glass of wine or orange juice, the evening began with a poem written especially for the evening by Tony Bertolla, a local poet:

*Welcome news a change of scene, Billericay's going Green,
We can't deny our climate's changing, the repercussions are wide ranging.
Floods come flooding, tempests storming, Greenhouse gases, Global warming.
We really have to save resources or risk the wrath of nature's forces.*

*What can Billericay do? The question is for me and you,
To save our water, power and pence is really simple common sense.
Each Green decision that we take, a difference is bound to make,
Each step we take, however small must lead to changes overall.*

Everyone should spread the word, and all opinions must be heard.

Examine every single choice until we speak as if one voice.

*To change the world's beyond our power, we'll plant green seeds we're sure they'll flower
So everybody lend a hand, preserve our Green and pleasant land.*

Then short presentations were given explaining the background to Greening Billericay, its objectives and the way forward. Julie and Emma delighted us with their singing following the interval. All people were asked to vote on what they considered were the three most important 'small actions' and to make any commitments to presenting one or more of these at our Green Day. The ten 'small actions' that gained the most votes and which Billericay will now pursue are:

- Turn off lights when leaving a room;
- Walk distances less than 1 mile;
- Turn off standbys;
- Turn down the thermostat 10C;
- Turn off taps when brushing teeth;
- Install cavity wall insulation;
- Insulate loft to minimum 270mm;
- Buy energy saving appliances;
- Change 3 light bulbs to low energy;
- Shower one minute less.

I think most people thought that the public meeting was a success and helped to maintain the momentum whilst achieving our objective of being 'fun'. But what next?

Our GREEN DAY will take place on 19th June at Emmanuel Church, Laindon Road,

Official Office Opening times 9.30am - 2.30pm Mon-Fri

Outside these hours please ring as there may well be office staff present

Billericay from 11:00am to 4:00pm where the church's whole site will be available for displays, presentations, fun competition and challenges, refreshments and much more – please put this date in your diaries. Although it will be a 'fun' occasion, the underlying message will be Billericay's efforts in the conservation of our energy, water and fuel resources and displays and presentations will provide advice on implementing the 'small actions'. Other presentations and initiatives from large and small conservation companies will also be a feature of the day. We are contacting those organisations that made commitments at our public meeting as well as all other Billericay organisations to seek their participation at the GREEN DAY. If there are others (individuals or groups) who wish to take part, please contact us. Finally, I would like to thank all those who helped during the day and evening of the public meeting but especially I would like to thank all those people from Billericay who attended. As was stressed, this is a community event and without the community we have no event.

David Knight – Chairman of the Greening Billericay Working Party.

NEW BUS SHELTER

Getting on and off the bus at the stop outside Park Lodge was hazardous for local residents as they had to cross the grass verge, which was slippery in the dry and muddy in the wet; this resulted in a number of residents having nasty falls. The problem was brought to the attention of Town Councillor Colin Dyer who together with County Councillor Kay Twitchen, worked to resolve the problem. As a result, the bus stop now has a hard standing. In addition a seated bus shelter has been installed. The local residents are delighted with the outcome and the shelter also acts as a resting point.

BILLERICAY CONSERVATION AREA

An appraisal of Billericay's Conservation Area is being undertaken by Basildon District Council.

Consultants from Beacon Planning Ltd have been appointed to carry out the appraisal of the town's Conservation Area to define what is special about the area. The character appraisal will also provide an overview of the history and development of Billericay and look at how this has influenced the present day appearance of the town.

As part of the review, the boundary of the Conservation Area will be considered to see if any amendments are needed. The appraisal will consider the importance of the townscape as a whole, including areas of open space, as well as recognising the quality of individual buildings. Any issues threatening the special character of the area will be identified and taken forward at a later date into a Management Plan which will set out a strategy to address these issues.

Public consultation on the draft character appraisal will take place in early summer and details of this will be advertised on noticeboards around the town and in local newsletters and newspapers nearer the time. As part of the consultation, an exhibition will be held in Billericay and all interested residents, business owners, visitors, etc. will be welcome to come along and ask questions and find out more about the Conservation Area and Beacon Planning's work.

In the meantime, if anyone has any comments or information about the Conservation Area, or have any questions about the Conservation Area or the appraisal process, please email: mail@beaconplanning.co.uk or fax: 01223 810991 or write to: Beacon Planning Ltd, 8 Quay Court, Colliers Lane, Stow-cum-Quy, Cambridge CB25 9AU.

CONGRATULATIONS TO:

CONGRATULATIONS to Mayflower High School pupils Hannah Cousins, Sarah Kettlewell and Alice Basnett who after winning the regional heat at Colchester, represented the east of England at the national Finals of the BPW (Business & Professional Women's) Public Speaking competition on Saturday 27 March in Oswestry, Shropshire. The team had to compete against four other teams from within the United Kingdom including a team from Ireland and they did exceedingly well with Alice Basnett winning the cup for the best speaker.

CONGRATULATIONS to Buttsbury Junior School on receiving an Outstanding grade in their recent Ofsted report. The report said the school offers a rich curriculum as well as many after school clubs. It also noted the way the school played an active part in the local community.

CONGRATULATIONS to Billericay Methodist Church who are celebrating their 86th Anniversary.

CONGRATULATIONS to The Billericay Society – CPRE
In July 2010 we celebrate 75 years: Protecting our Heritage
Our thanks for carving our wooden town signs to Peter Benson and Roy Mizen for the metal sign
With thanks for members' continued support
David Bremner, *Chairman*

BILLERICAY TWINNING ASSOCIATION

A party of 24 people from Chauvigny (our Twin Town in France) will be visiting Billericay in the middle of May. They will be staying with local families and whilst here will be visiting Cambridge and Cressing Temple. An official dinner will be held on the Friday followed by barn dancing for the energetic.

In July this year's students and teacher from Fishers in Indiana will again be with us. They will be hosted by the families of students at Billericay and Mayflower schools. The students will spend a day in each of our comprehensive schools as well as a day on the river and a visit to London. An English afternoon tea will be part of their experience and a farewell dinner will be held on their last evening.

BILLERICAY COMMUNITY ARCHIVE GROUP

This Group is now set up and will be receiving training at the Essex Record Office in April on handling documents, use of a scanner and tips on oral interviews.

So now is the time to search through your cupboards and drawers for your memorabilia of Billericay. What do we want?

It could be your wartime ration book or letters from relatives away during the war. Photographs of the Billericay Carnival perhaps, old school reports or pictures of you in a mini skirt with a beehive hairdo or kipper ties and flares for the men are all welcome. If it is just your memories we can deal with that too by arranging to come and talk to you. So get started. Forget the spring cleaning concentrate on helping us build our own archive which will be put onto a dedicated website.

Contact Karen Pearmain or Sue Capes at the Billericay Library – 01277 624624.

Please note all materials will be returned to the owner.

CELEBRATING BILLERICAY

Festival of Flowers, Art & Music in St Mary Magdalen, High Street, Billericay

On the weekend of 11th/12th/13th June 2010 Churches Together in Billericay are planning to hold a Festival in St Mary's Church in the High Street. The theme for the weekend is 'Celebrating Billericay'. This will be illustrated with flowers and artefacts by local churches and schools and displays by local clubs and societies, to give a flavour of the many activities enjoyed by Billericay residents.

We are aiming to make this a major event in the town. As well as all the churches who are part of the ecumenical organising group Churches Together in Billericay, we are hoping to involve as many local organisations and businesses as possible and these are being contacted to help with sponsorship. We anticipate that this will attract visitors into the High Street for the three days of the Festival to the benefit of the community as a whole.

Our MP John Baron has agreed to open the proceedings on the Friday, with Rev Paul Carr from Emmanuel conducting the Dedication Service.

The proceeds from the Festival will be divided between local charities, Hamelin Trust, Anvil Trust and further refurbishment of St Mary's.

Offers of assistance, either financial or practical would be welcome. Telephone 01277 622297 for more information.

BILLERICAY BOWLING CLUB

Billericay Bowling Club is seeking new members for the 2010 season. For new bowlers or prospective members we are holding an open day on Sunday 9th May and an evening 'come and try' course for 6 Monday evenings starting 10th May. For details please contact the secretary Rex Hobbs on 01277 632018. The Club is established on the public greens in Lake Meadows park, with the Clubhouse and greens close to the Lake Avenue, pedestrian only entrance. Bowling can take place every day of the week and the Club play evening league matches, afternoon friendlies, have a Thursday club morning and internal competitions are played at any time. Currently the Club has 80 members and is enjoying its 81st season, being founded in 1929.

BASILDON COUNCIL FOOD WASTE COLLECTIONS 2010

As from October 2010 Basildon Council will be introducing a weekly kerbside food waste collection from all households in the district. The new scheme will use existing green wheeled bins, and will increase the collection frequency to weekly, where it is currently fortnightly. This will see all cooked and uncooked food waste mixed with your garden cuttings before being taken away for composting. The Council will be providing all households with a small container for the kitchen, which is designed to hold waste food, peelings, plate scrapings etc before they are put into the green bins for collection. For those properties that do not have sufficient room for a wheeled bin, the Council will be providing a small kerbside caddy, which can be put out for collection. It is hoped that introducing the food waste collection scheme will increase the amount of waste diverted from landfill in the district to the target of 50% – making for a cleaner, greener District.

Further details can be obtained by calling Streetcare on 01268 294949 or email recycling@basildon.gov.uk
